Sticky Cleans™

Microfiber Sticky Screen Cleaners

Sticky Cleans™

Take Your Brand Everywhere

The Sticky Clean's proprietary formula has an impressive adhesive capability that sticks to the back of any mobile device while also easily peeling off to buff away dirt and smudges on your screen from daily use. Afterwards, simply reapply to the back of your device until you need to clean your screen again.

Privacy Cleans™

Microfiber Webcam Cover + Cleaner

Privacy Cleans™

Be Seen Only When You Want to Be Seen

Pristine Privacy Cleans are a unique webcam cover that will keep you protected from unwanted webcam hackers trying to intrude on your privacy. Made from the same material as our Sticky Cleans, they stick securely over your webcam when needed but peel off easily when you want to be seen. The gentle microfiber material won't harm or crack your screen when you close your laptop and allows you to spot clean any annoying smudges with ease.

Sanitizing Wipes

To-Go Screen Cleaning Wipes

Sanitizing Wipes

Sanitize & Clean Your Screens

The Sanitizing Wipes are in individual packets intended for one-time use. They can be customized and packaged in branded boxes with desired quantities and each box can include a custom microfiber cleaning cloth.

Polish & Sanitize

Quickly polish away dirt and smudges and sanitize your mobile devices to keep your phone germ free and clean during COVID with our **99.9%** sanitizing solution

Completely Customizable

Customize the box and the individual wrapping to match your brand so your customers can take your brand with them where ever they go

Biodegradable Materials

Don't worry about hurting the environment every time you clean your device. Our wipes are completely biodegradable

Won't Harm or Scratch Your Screen

Our soft cloths mixed with 73% isopropyl alcohol is strong enough to kill germs while gentle enough to not harm or scratch your devices

Customization available on box, wipe, and cloth dependent on quantity ordered.

Pristine Screens is a promotional product company specializing in high quality, microfiber products. From Sticky Clean mobile screen cleaners to sanitizing wipes developed with smartphones and screens in mind, PS turns branding into an essential tool for customers and clients alike.
